A large cruise ship is shown from a low angle, emphasizing its massive scale. The ship's white hull and multiple decks with balconies are visible. The ship is moving towards the right, leaving a white wake in the blue water. The sky is a clear, bright blue. The ship's funnel is visible on the left side of the frame.

## Marine Insurance

Marine insurance covers the loss or damage of ships, cargo, terminals and any transport or cargo by which property is transferred, acquired or held between the points of origin and final destination.

Marine cargo insurance is a sub-branch of marine insurance, though Marine also includes Onshore and Off-shore exposed property (container terminals, ports, oil platforms, pipelines), Hull, Marine Casualty and Marine Liability.

Marine Cargo Insurance can be arranged on an open cover basis that allows consumers to insure all of their cargo shipments during a specified period to be covered.

## Employee Benefits Medical

We provide a variety of comprehensive, cost effective and customized benefits and insurance solutions to meet your corporate Medical insurance requirements. Our experience and knowledge allows us to select secure local and international insurance companies that offer the best products to suit our clients' needs. We are committed to designing cost effective benefits to assist our clients in maintaining optimum employee retention and loyalty.

- Individual Insurance
